-Novice – Carl

Novice school first weekend of May. May 7th

Carl wants to formalize positions early since some were missed last time.

Carl would like two volunteers from each club to volunteer for positions.

The clubs agreed to the following.

SDAD – Getting Food (Subway)

TART – Trailer Movement

SCAT - Course Design

SCNAX – Registration

DCCSD – Grid Setup

-Annual Tech

Working well but need to standardize registration between clubs.

Sticker on car (driver door jam)

Stickers can go on everyone's helmet.

Need to order more.

-Lots

SCAT picked up a ate

Trash cans missing

Porta potties not being ordered. Waren advised that the inner circle porta potties are not ours and we are not supposed to be using them.

- Past Events

DCCSD

Late registration

Course had a good layout

Qualcomm security had issues with photographers in the road. Any Qualcomm security should be directed to Warren because he is the stadium liaison.

Construction crayon is nationally advised instead of grease pencils.

Safety Steward has final say on what car will do the safety run.

Warren stated that bumps are an issue and should be considered but we need to understand that if avoided all bumps we would need to stop using the west lot. Too many to avoid them all.
