Junior kart classes (JA & JB) will always run at the end of Heat 1.

The following classes will be grouped and indexed in the event results using the PAX/RTP index:

P1 = XP, CP, FP  
P2 = DP, EP  
M1 = AM, BM, FM, FSAE  
M2 = DM, EM  
PAX & Novice = All SCCA open classes

Run order and rotation rationale:

- 1) Due to new stadium contract requirements there is no need to limit Group C & D to the afternoon heats.
- 2) All groups can run at any heat since they are all subject to the same sound limits during the day.
